Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

In the last 6 months there has been nothing close by that I can see that has sold recently that could be characterised as comparable. This unique property was built on a sub-divided block in a location where not many new homes of this style have been built. 10A Surrey McCrae sold 14 May however, this is a smaller home & smaller land holding.

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
