Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Specifically, Ararat experiences low transaction volumes for single-level, 2-bedroom, low-maintenance residential dwellings on compact footprints (~250–300m²). Sales of standard 3 to 4-bedroom houses on full-sized allotments (>600m²) were excluded as they appeal to a different buyer market and do not reflect accurate market value. 1/18 Viewpoint St (\$337,500) and 1/9 George Rd (\$345,000) represent the only directly comparable sales of similar size, accommodation, and land scope within the statutory timeframe.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
