Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No comparable sales sold within the last 6months and in a 2km radius. The most recently sold properties are either lower in land size or older in renovation compared to 32 Speight St, Newport which had a brand new renovation completed in 2026 prior to advertising online. The other properties also have one less or one more bedroom and or in differing suburbs such as 75 Kernot St, South Kingsville which is on a similar land size of 669m2 with an extra bedroom.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
