Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable property has been sold within the past six months with a similar land size to the subject property. Other comparable sales have either been on larger parcels of land or are double-storey properties, making them less directly comparable.
