Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There were fewer than three suitable comparable sales due to the limited number of recent transactions in Belgrave offering a similar combination of brick construction, three-bedroom accommodation and a larger approximately 1,049sqm allotment. A number of nearby sales were excluded because they were either weatherboard homes, situated on materially smaller allotments, or offered substantially different levels of accommodation and presentation.
