Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We note the marketing of the property is targeted towards new home site buyers and developers. We are marketing the property as such, with no internal photos given the poor condition of the property. The best three local comparable properties are: 33 Kemps Street, Ringwood East 36 Kemps Street, Ringwood East 19 Bona Street, Ringwood East We note these comparable's are 3 bedrooms, 1 bathroom; offering less accommodation but more livable homes. The land sizes are also larger.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$735,000	Unconditional sale date	23/10/2026
