Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to a lack of recent townhouse sales within a 2km radius of 36B Elimatta Road, Carnegie at this price point, all recent sales activity consists solely of standalone houses, making a direct like-for-like comparison unavailable.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$1,930,000	Unconditional sale date	13/11/2026
