Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the scarcity of absolute beachfront properties along the coastline,there have been very limited directly comparable sales within the past 6 months.Beachfront homes are tightly held & therefore do not transact as frequently as properties in the broader market.In determining the $1950000–$2100000 price range, we have considered Sold in 2022 4 Stephens St,Carrum $1,650,000 & Sold in 2022 672 Nepean Hwy,Carrum,While some of these sales fall outside the usual 6-month comparable period,they remain relevant due to the limited turnover of absolute beachfront property

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$2,050,000	Unconditional sale date	14/10/2026
