Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only one comparable property has been identified due to the subject property’s older weatherboard construction, internal condition, overall presentation and full-sized allotment. 11 Kipling Avenue, Mooroolbark was also considered comparable; however, it has since fallen outside the required six-month timeframe. Limited recent sales with similar characteristics have restricted the availability of directly comparable properties.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
