Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There were fewer than three directly comparable sales available due to the limited number of transactions involving three-bedroom units over the past six months. The most similar properties identified were either substantially newer, located further from the beach, or situated within larger developments with owners corporations, resulting in reduced comparability.
