Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

2 Quamby Place Donvale is a cleared 4025m2 (approx) block of land and is very similar to 27 Berrima Road, Donvale which was sold in April 2026 for \$1,730,000. There are no other comparables as the only other block sold within 2 kms and in the last 6 months was a heavily treed block on 4 acres which is not comparable to 2 Quamby Place.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
