Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

No directly comparable sales were identified within a 2 km radius in the past six months that closely match the property's 4 bedrooms, 2 bathrooms, 6 car accommodation, approximately 196 m² of internal floor space and 863 m² of land.
The closest comparable identified was 43 Shadowplay Road, Mooroolbark, which sold on 11 August 2026 for $951,500. It offers 4 bedrooms, 2 bathrooms, 3 car accommodation and 880 m² of land. Its internal floor area is estimated at approximately 170 m².
Both properties have the same bedroom and bathroom count and similar land sizes. The key differences are the subject property's additional 3 car spaces and slightly larger internal floor area, which have been considered when assessing its estimated selling price.
