These properties were used to help determine the estimated selling price.

## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

This is a price the vendor and I agreed was very fair for the property per m2. It was originally listed with another agent at a higher price and it did not sell. The revised price is based on vacant land similar size & location but no direct comparable properties.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
