Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We have found price reference as below: 9 Greenhill Rise, Ringwood North is similar in term of style of home. Both single level in local area, however, Greenhill Rise missing a bedroom and land size is bigger; 16 Sang Ct, Ringwood have a studio outside main house. Which is similar to 9 Park Hill Drive. 9 Park Hill Drive have an extra bedroom outside the main house too. However, Sang Ct land size is a lot bigger than 9 Park Hill Drive; 1 Jull Pde, Ringwood Nth, both home in similar conditions inside. Both renovated home, single level on similar block. However, missing floorplan online
