Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent has undertaken recent sales research and considered the available market evidence when assessing the current market position of the subject property. The sale at 5 Nebo Way, Clyde, which sold for $585,000 on 4 March 2026 and comprises approximately 176m² of land with 3 bedrooms, 2 bathrooms and 1 car space, was considered the most comparable of the sales identified.

The agent has also considered 32 Mattamber Street, Clyde North with 3 bedrooms, 2 bathrooms and 1 car space which sold for $600,000 on 22 April 2026 and 13 Mediterranean Avenue, Clyde with 3 bedrooms, 2 bathrooms and 1 car space which sold for $600,000 which provides additional context regarding recent market activity and price levels.

While these sales provide useful supporting evidence for the agent's overall assessment, they differ from the subject property to varying degrees in land size, accommodation, condition, presentation, features and overall offering. In addition, where the relevant sale does not satisfy the applicable two-kilometre radius and preceding six-month period, it cannot be relied upon as a direct comparable sale for the purposes of the Property Price Statement.

Accordingly, no direct comparable sales have been provided on this Property Price Statement. The above sales have nevertheless been considered by the agent as broader supporting market evidence in determining the current market position and advertised price of the subject property, together with its specific land size, accommodation, condition, presentation, features and overall market appeal.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
