Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There is no three comparable properties that have sold in the past 6 months within a 2km radius. This home requires significant works throughout inside and outside. It requires a full renovation or redevelopment. The block position is also in a sought after pocket of Aspendale and positioned on a main road next to a Child Care Centre with train overpass directly across from the property.
