Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the property's distinctive design, including a ground-floor main bedroom, and its level of finish and upgrades, we reasonably believe that fewer than three comparable properties have sold within the prescribed 2km radius during the preceding six-month period. Recent sales of a similar size and location generally differ in their standard of finish, while properties with similar or larger landholdings typically offer additional living zones.
