Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Fewer than three directly comparable sales have been identified due to the property's unusually large, mature tree prominently positioned in the front yard, significantly impacting buyer appeal, together with the extensive renovations required to make the home liveable. The vendors have considered these factors and priced the property accordingly to achieve a sale.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
