## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the limited number of recent comparable sales in the immediate area, only two truly relevant comparable properties have been included. These properties provide the most accurate indication of current buyer sentiment and market value.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

**Sale price** $500,000
**Unconditional sale date** 07/10/2026
