Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Buninyong is a small, highly sought-after township with limited sales of comparable three-bedroom units and townhouses in this price range within 5 km over the past 18 months. Nearby Mount Clear and Mount Helen generally have lower unit prices, so properties there do not provide a direct comparison. Only the two sales listed were considered sufficiently comparable.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
