Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only 1 comparable dale fell within the required search criteria, there were insufficient recent sales of recently fully renovated homes on land over 800m2. Price references also included 2 Hillrise Crescent Chirnside Park which has 4 car
spaces and we have 3 and 27 Valley Ho Chirnside Park which is 2 story.
