Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

From the time of listing the property to determine the ESR there were fewer than 3 minimum comparable properties which have sold within a 2km radius in the 6 months previous. We do believe there were 2 sales that occurred within these parameters which were: 19 Anzac St, Croydon - Sold \$1,025,000 on 27/6/2026 - Comparable accommodation however did have a shared wall. 7/158 Warrandyte Road, Ringwood North - Sold \$1,010,000 on 17/7/2026 - Comparable style property less one bedroom & bathroom located on a similar main rd position.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
