Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There is a lack of comparable sales for the PPS. The owners converted the property from a two-bedroom townhouse into a three-bedroom townhouse, and we were unable to identify 3 additional sales of three bedroom townhouses of this size considered sufficiently comparable to the property.
