Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

All other comparable sales are 4-bedroom, 3-bathroom properties, which are not directly comparable to our property. While they are located within a similar area, the additional bathroom and different property configuration make them less relevant. The other comparable sales identified are single-level properties, whereas our property is double-storey. As a result, these properties are not considered directly comparable due to the differences in layout and overall configuration.
