Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only two comparable sales have been selected due to the limited availability of recent transactions involving properties with similar characteristics to 2/12 Ebden Avenue, Black Rock. Variations in property size, layout, condition and location make direct comparisons challenging. The two selected sales represent the most relevant market evidence available and provide a reliable basis for assessing the property's current market value.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
