Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

I identified 34 Congram Street and 7 Warnock Street as the closest comparable sales. A third suitable sale could not be identified, as most recently sold properties were in better condition and required significantly less renovation work. These differences in condition, liveability and repair costs made them less comparable to the subject property.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
