Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

The subject property is located within a specific unit complex at 139 Tarneit Road, Werribee. Accurate like-for-like comparisons should be sourced from within the same complex, as external properties may differ in design, layout and characteristics. Insufficient comparable sales have occurred within the complex over the past three months.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
