Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The subject property features a distinctive architectural design, unconventional building configuration and unique structural characteristics that differ significantly from typical residential properties in the surrounding area. Based on a review of recent sales within a 2km radius over the preceding six months, fewer than three properties of sufficiently similar standard, condition and characteristics were identified to provide a meaningful direct comparison.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
