Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

This is a unique property with both a home and a unit on the one title, set on a much larger than average block (of over 1400m2). Therefore there are no comparables for this property.
