Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No directly comparable properties have been identified for 7 Maralinga Terrace, Mooroolbark, due to its large configuration, substantial land size and partially updated condition. 23 Avalon Street, Mooroolbark, was considered due to its similar condition and land size, although it features an additional bathroom and swimming pool. 26 Old Kent Road, Mooroolbark, was also considered due to its similar configuration and internal quality; however, it is double-story with a smaller allotment. Both sales assisted in determining the agent’s estimation

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
