Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

I identified one suitable comparable sale within the relevant area and period. I used 13 Latta Road, Nar Nar Goon, because it is approximately 300 metres from 16 Latta Road and is a nearby acreage property. It sold for $1,610,000 on 23 October 2026.

In assessing the estimated selling price, I considered that 13 Latta Road has six bedrooms on 3.24 hectares, while 16 Latta Road has four bedrooms on approximately 3.9 hectares. Both homes have two bathrooms. My review did not identify any other sales within the relevant area and period that were sufficiently similar in land size, location and accommodation.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
