Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent believes there are fewer than three comparable sales within the last six months and a 2km radius that closely resemble the subject property. One sale at 25A Barrington Street was included on the basis that it also comprises a subdivided allotment with three bedrooms and two bathrooms. However, it differs from the subject property in that it is a double-storey residence.
